Subject: Shifting of Water Reservoirs Locations

Reference: CEO/WSSCA/023/8640

Dated: 12th June 2023

Dear Sir,

With reference to your above letter our progress on the shifting of water reservoir location is as under:

1. The schedule visit to Nallah & Nagaki i.e., tank no. 8 & 13 could not be conducted on 14/6/2023 due to unavailability of CIU sub-Engineer who was busy with NHA Islamabad.
2. Field visit to above locations was conducted on 15/6/2023 with Infrastructure Engineer, Contract Engineer & Sub Engineer of CIU including a Representative of Revenue department. As per staff member of revenue he has to verify the land from Tehsil Officer revenue which is still awaited.
3. The field visit to tank no. 2,5,6 & 12 was conducted on 23/6/2023 with two Sub-Engineer & GIS Officer (CIU) & two Inspector of WSSCA. The owners of the identified land were not in favor of selling the land to WSSCA and as such survey of the land could not be carried out.

We hope the above explanation clarify the situation for you.

Your Sincerely

Engr. Said Afsar
The Engineer/Resident Engineer
