Subject: Additional/Alternate Route to Redress the Grievance of the Vicinal Community.

Regarding your correspondence, specifically, Letter Number KPCIP/DT/CIU-Abt/2022-23/1132-1128 dated August 31, 2023, in which you instructed the PMSCS to create an alternative route to provide access for the local community within the "Sherwan Adventure Family Park" project, we have prepared the entire design and a comprehensive cost estimate. These documents have been forwarded to you for your review and subsequent approval.

It is important to note that due to ongoing legal proceedings initiated by the local community regarding the Khyber trail, the contractor is currently unable to commence work on the trail and gate. We kindly request your active involvement in addressing this matter. Failing to do so may result in potential legal claim under sub clause 20.1 of GCC. Your swift action in this regard would be greatly appreciated.
