Reference: 1. Your Letter No. CEO/WSSCA/023/9424

Dated 10/11/2023

With reference to your above letter, we wish to bring into your notice that the contractor has constructed site office in contractor camp which is approximately 2 kilometers away from the WTP. The contractor site office is also shared by PMSCS site staff and attendance register, grievance redressal register are in place. The PHED container needs to be removed because it is an obstruction to working on flocculation chamber. Handling/taking process for the PHED container is in progress.
