Date: 20/03/2024

To,

The Resident Engineer (Water Supply)
PMSCS, Abbottabad.

**Project: KHYBER PAKHTUNKHWA CITIES IMPROVEMENT PROJECT (KPCIP)-CW2-Lot 1
WATER SUPPLY DISTRIBUTION NETWORK ABBOTTABAD**

Subject: 1. Urgent – Discrepancy in Plot Size as Per IFC Drawing of Tank # 7 (Dhodial)
2. Relocation of Tank # 16 from Narray Chashmay to Adjacent Land near Tank # 7

With reference to your letter no. KPCIP/PMSCS/RE-ATD/CW-02/Lot-1/065 dated 19th March 2024, pertaining to the IFC drawing of Tank # 7 (Dhodial), we write to express our deep concern regarding a significant discrepancy observed in the plot size as indicated in the IFC drawing and the actual plot size jointly surveyed by the contractor, PMSCS and CIU team.

PMSCS is advised to re-assess the plot to achieve the required 300,000 Gallons storage capacity in the proposed reservoir, in line with the primary design.

Furthermore, Tank #16 (Narray Chashmay) cannot be constructed at the proposed site due to unavoidable land issues within the same area. Consequently, it will be relocated to adjacent land near Tank #7 (Dhodial). Please coordinate with the Infrastructure Engineer (WATSAN) for additional details in this regard.

Chief Engineer

City Implementation Unit (CIU),
Abbottabad
