Subject: Providing & Fixing of Awning & Signage.

Regarding the aforementioned matter, it is important to inform you that the Awning and signage at Sarafa Bazar and Gol Mandi were taken down six months ago. Regrettably, the new awning has not been put in place as of now. This delay has caused significant distress among the local community, leading to recurring complaints. As a result, we are requesting the JV contractor to expedite the installation of the awning as a matter of utmost urgency.

It is imperative to emphasize that if the JV contractor fails to do so, the community has expressed their intention to organize a protest in response to this issue.

Yours Sincerely,

Engr. Muhammad Shoaib
The Engineer/Resident Engineer
