To,

The Project Manager
ZKB-M/S T.T. SH-INSAAAT LIMITED LIABILITY COMPANY (JV)
Abbottabad

Project: ADB LOAN 4160-PAK & LOAN 8412-PAK (AIIB CO-FINANCING): KHYBER PAKHTUNKHWA CITIES IMPROVEMENT PROJECT (KPCIP); OCB-KPCIPCW-02 Procurement of Works for improvements/Construction of Water Supply System: LOT-2; Rehabilitation and upgradation of Water Supply to WTP with SCADA in Abbottabad Including New Water Treatment Plant, Abbottabad.

Subject: NON-COMPLIANCE OF HEALTH & SAFETY UNDER SUB.CLAUSE 6.7.

I am writing to express my deep concern regarding the recent observations and reports of non-compliance with the health & safety regulations on the construction site.

With regular visit to the contractor site, we have noticed that there have been several instances where safety protocols outlined in the contract and local regulations were not followed. These failures include:

- Failure to Provide Adequate Personal Protective Equipment (PPE);
- Failure to Provide Adequate dumping site for construction materials.
- Failure to provide Grievance Redressal register and complaint box on site.
- Failure to provide mandatory sign boards.
- Failure to conduct regular health and safety meeting/Tool Box Talk.

Failure to address these concerns promptly may result in the suspension of work on the project or may the contractor will be fined under sub clause 6.7 which is (Rs. 30,000/day) of delay in compliance to these instructions/facilities. I trust that you understand the gravity of this situation and the importance of ensuring the well-being of all individuals involved in this project.

Please provide a written response outlining the corrective actions you intend to take within 10 days of receiving this letter. We value your partnership and hope to see swift improvements in our project's safety standards.

Your Sincerely

Engr. Said Afsar
The Engineer/Resident Engineer
Water Supply System (Abbottabad)
PMCSC-KPCIP

Please follow-up for compliance
IE (WATSAN)
