No. CEO/WSSCA/023/ 9393

31/10/2023

To,

The Engineer/Resident Engineer (Water Supply)
PMCSC, KPCIP - ABBOTTABAD

Project: KHYBER PUKHTUNKHAWA CITIES IMPROVEMENT PROJECT (KPCIP)

Subject: 4th REMINDER – Confirmation of Pipeline Route along KKH

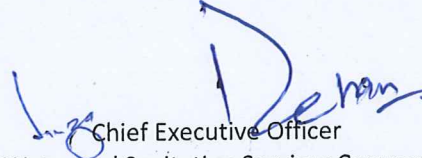

This is in continuation and follow up of the letters and minutes of meeting/s referred below:

- Letter No. CEO/WSSCA/023/8608 dated 06/06/2023
- Minutes of Meeting dated 12-07-2023 (CIU Abbottabad)
- Letter No. CEO/WSSCA/023/9116 dated 25-08-2023
- Minutes of Meeting dated 12-09-2023 (CIU Abbottabad, Chaired by PD KPCIP)
- Letter No. CEO/WSSCA/023/9255 dated 10-10-2023

It is regretfully stated that WSSCA/CIU has highlighted this core issue multiple times, but PMCSC has not provided any embodied response in this matter.

It is additionally added for your attention that the principal approval of NOC from NHA Headquarter is on hold in contact with revised design to be provided by CEC/PMCSC. WSSCA/CIU have received 2 reminders from NHA for provision of **Actual Layout Plan and Site Photographs** which could not be responded due to non-confirmation of the pipeline route at KKH section.

You are therefore once again requested to provide the confirmed pipeline route, considering the ground facts at KKH (N35) to process the NOC case for principal approval at headquarter level. The further delay may have financial consequences for the KPCIP Project.
