Abbottabad

Project:**DESCRIPTION OF****Water Supply****Rehabilitation of****W.C. Intake**

**KHYBER PAKHTUNKHWA CITIES IMPROVEMENT PROJECT (KPCIP); OCB-KPCIP-
CW-2: PROCUREMENT OF WORKS FOR IMPROVEMENT / CONSTRUCTION OF
WATER SUPPLY SYSTEM; Lot-1: Rehabilitation and Upgradation of Water Supply
Connected to the WTP with SCADA in Abbottabad including: A. Rehabilitation or
Provision of Water Storage Reservoirs; B. New Distribution Network; C. Intake
Structure Including Transmission Main and Associated Structures**

Subject:

**Request for Prior Approval Pertaining to Discharge Measurement at Jandar Bari &
Phalkot Source.**

I am writing to bring to your attention a crucial matter regarding the discharge measurement at the subject sources. It has come to our attention that the discharge measurement at the subject sources is essential for the durability of the water treatment plant. Regrettably, this work was not initially included in the project scope, necessitating a variation order. As per sub-clause 3.1 B (2) of GCC/PCC, we are obligated to seek your prior approval before commencing with the discharge measurement. The matter has already been discussed with CIU representative in a meeting on 23rd December 2023. Quotation with regards to the flow measurement submitted by contractor is attached herewith, which seems to be reasonable & hence acceptable.

In view of above, we kindly request your prompt consideration & approval for the proposed variation order. We appreciate your attention to this request & look forward to receiving your approval at your earliest convenience.

Your Sincerely,

Engr. Said Afsar
The Engineer/Resident Engineer
Water Supply System (Abbottabad)
PMSCS-KPCIP
