To,

The Director Technical,
Khyber Pakhtunkhwa Cities Improvement Project,
PMU – Peshawar

Subject: CW-02 – Lot 1 (Abbottabad) – Suggestion to Pause the Commencement

Reference to your Letter No. KPCIP/DT/WS/AD/2023-24/1550-1554 dated 27th September 2023.

The location of Intake Structure has not been finalized so far. On the other hand, the latest Raw Water Transmission track shared by PMCSC is not aligning with the EDCM Master Plan.

Likewise, the track confirmation for supply main and distribution network at N35 (KKH), approach between the Chuna WTP outlet to Chuna Road and identified location for assembling the 400 KW turbine are also integral issues to conclude.

With consultation of CIU, WSSCA therefore suggest to **Not Issue the Commencement** for the CW-02-Lot 1 (Abbottabad) unless having a comprehensive plan, ensuring the successive designing of the project in all basic aspects, as mentioned above.
