OCB/KPCIP/CW-01: Development of Urban / Green Spaces and  
Parks: Lot-1: Pedestrianization of Market in Old City Centre; and  
Urban / Green Space Initiatives – Sherwan Adventure Family Park,  
Abbottabad.

SUBJECT: SUBMISSION OF CONTRACTOR'S REPRESENTATIVE IN  
ACCORDANCE WITH SUB-CLAUSE 4.3 OF GCC/PCC

Dear Mr. Abdul Jalal Hakim,

With reference to the above-mentioned subject and in consonance with Sub-Clause 4.3, the JV Contractor has to submit to the Engineer for his consent, the name and particulars i.e. (official Email address, contact number and address etc.) of the person the JV Contractor proposes to appoint as the Contractor's representative.

In connection to the above, the proposed Contractor's Representative shall and must dedicate all his time to the Project and be on Site, if the Contractor's Representative is to be temporarily absent from Site during the execution of the Works, an appropriate replacement shall be appointed, subject to the Engineer's prior approval/consent.

The Engineer would also like to allure the attention of the JV Contractor towards the proviso of PCC Sub-Clause 4.3 which stipulates that:

[QUOTE] "The Contractor's Representative or the person to whom Contractor's Representative delegates any power, function and authority must be qualified Professional Engineer (registered with Pakistan Engineering Council) in the relevant field ..." [UN-QUOTE]

Therefore, in light of the above-mentioned contractual obligation(s), the JV Contractor is herein advised to propose a single Contractor's Representative with his supporting particulars and Professional Engineer certificate in the relevant field.

Please note that once the Engineer approval/consent is accorded on the proposed Contractor's Representative, all official communication to and from the Engineer ought to be through the approved Contractor's Representative only.
