Project: **KHYBER PAKHTUNKHWA CITIES IMPROVEMENT PROJECT (KPCIP): OCB/KPCIP/CW-01: Development of Urban / Green Spaces and Parks: Lot-1: Pedestrianization of Market in Old City Centre; and Urban / Green Space Initiatives – Sherwan Adventure Family Park, Abbottabad.**

Subject: **Non-Compliance at Site.**

Regarding the above-mentioned field note, I am noting that the JV contractor was preparing to pour concrete by hand mixing at the praying area. Nevertheless, the PMSCS team intervened promptly and removed the material from the site. It is crucial to strictly adhere to the instruction that all concrete must be plant-mixed, and hand mixing is strictly prohibited on site. Consequently, should the JV contractor be found engaging in such activity in the future, penalties will be imposed, and payment for the same quantity will be withheld.

I have confidence that you will adhere to these instructions.
