Request for Approval of Carrying Out Test Pits at Specified Locations

This is in continuation to our previous letter No. CEO/WSSCA/023/8633 consigned to your office on 09/06/2023.

In order to examine the underground position with proposed design of pipe laying at KKH (N35), between College Road Chowk to SabziMandi More (Towards Haripur), our engineering team wants to carry out Test Pits at 03 specified locations to study the underground utilities. This will support the prevention of underground Government / Private Utilities and to make changes in proposed pipeline design at this section, in advance stage, if required.

The layout plan of the proposed pipe line (along the road), typical plan of the Test Pit and the proposed 03 locations of the Test Pits are enclosed with the letter.

Your kind office is requested to accord permission for the excavation of proposed test pits, please.
