With reference to your above letters, relating to distribution pipe route along NHA road (N-35), attached is the drawing showing the distribution pipe line which crosses the NHA road at college culvert & for supplying water to Jinnah tank & Malik Pura union council. While the pipe route along girls' college bandh Koh to Fawara chowk will supply the water to tank no. 5,6 & existing Muslim town tank.

The route was already discussed with representative of WSSCA/CIU to which they agreed. Our design section has approved the drawing for implementation, your concurrence is needed. ✓

Yours Sincerely,

Draft response  
1. E (W)
