To,  
The Deputy Commissioner,  
District Abbottabad.

**SUBJECT: PURSUANCE ON CONSTRUCTION OF WATER TANKS THROUGH  
PRIVATE NEGOTIATION**

District administration has already initialized process for acquiring of land for construction of water tanks through private negotiation mode but yet not finalized for disbursement of payments to the land owners.

Furthermore we have received deeds from CEO Abbottabad through stamp paper, but seems incomplete because of no authorization endorsement from the owner/district collector/CEO WSSC.

Therefore you are requested to expedite the remaining process in order to complete the coddle requirements so that to initiate the disbursement of payments to the land owners at the possible shortest time.

An early response in the matter will be greatly appreciated please.
