Subject: Suspension of Work Without Prior Notice.

Dear Syed Fawad Aman,

I am writing this letter regarding the subject mentioned above to address the concern that all site activities have come to a halt without any apparent reason. As per the current progress phase, it seems that you are considering closing the site due to the lack of activity for the last three days. As per our contractual agreement, if you decide to close the site, the JV contractor is required to provide prior notice, stating the reason for the suspension.

Therefore, I kindly request that you provide a valid and well-founded reason for the decision to close the site, accompanied by any supporting documents.

I am eagerly awaiting your prompt response on this matter.

Yours Sincerely,

Engr. Muhammad Shoaib
The Engineer/Resident Engineer
