**Project: KHYBER PUKHTUNKHAWA CITIES IMPROVEMENT PROJECT (KPCIP)
CW 2- Lot 2 WATER SUPPLY DISTRIBUTION NETWORK – ABBOTTABAD**

Subject: Request for NOC Concerning the Construction of Integrated Tank (5 & 6) in TMA Land, UC Urban City

As part of the KPCIP Abbottabad, 2 tanks i.e 5 & 6 are proposed to be constructed in UC Urban City to facilitate the vicinity. Despite the assorted attempts, negotiations with Private Landowners are remained unsuccessful.

In context of mentioned background, TMA is requested to provide NOC for construction of tank no. 5 & 6 as integrated (one) unit within TMA owned land adjacent to Nagakki Road, as per details shared below: -

Tank No.	Capacity	UC	Coordinates		Plot Area
			E	N	
5 & 6 (Integrated)	300000 Gallons	Urban	335545.168 335564.780	3778660.806 3768625.250	L 164.05 x W 45.9 (feet) 28 Marlas

Your early response in this regard will enable the project authorities to execute the project on time in the best interest of the public at large and avoid any loss via Commitment Charges and Contractual Claims.
