**Re: Approval of Option 2 main Distribution Pipe Route**

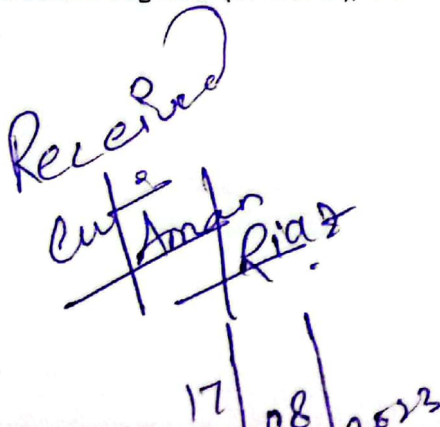

Reference to your letter KPCIP/PMCSC/RE-ATD/CW-02/Lot-1/007 dated 11<sup>th</sup> August 2023. The WSSCA/CIU team had suggested only one option that was avoiding the Land Acquisition and using the common (Public) street to carry the pipe. No any other option (2) was suggested in this regard. Since the option 2 is proposed by the PMCSC, it is therefore requested that PMCSC may provide the following supporting details:

1. RDs at the **start and end points** of the particular length.
2. The width of the proposed section in order to determine the **Right of Way** that will be required for **land acquisition**.
