Reference: 1. Your Letter No. ZKB-T. T Sh. INSAAT(JV).KPCIP/LOT-2.Abbottabad/LGE&RDD/
2023/150 Dated: 1st January 2024

With reference to your above letter, we are writing to express our concerns regarding the method statement you submitted for the upcoming control blasting activities, particularly considering the presence of sensitive receptors like the existing water treatment plant & nearby rest house, while we understand the challenges posed by the hard rock conditions, it is imperative to highlight the contractual obligations outlined in the agreement. As per the contract clauses the contractor is obligated to prioritize life protection environmental consideration & the well-being of the nearby residents during blasting operation.

In view of above you are instructed to strictly adhere to section 4 & 5 of your submitted methodology & demonstrate in our presence the method you would be adapting for carrying out control blasting. We look forward to your prompt action in addressing these concerns & appreciate your cooperation in ensuring a safe & responsible execution of blasting activities.

Your Sincerely,

Engr. Said Afsar
