REMINDER: Providing and Fixing of Awning and Signage

This is with reference to the letter Ref No. CEO/WSSCA/023/ dated: 31/05/2023 regarding provision and fixing of Awnings and signage in Bazar. Also, in progress review meeting with PMSC and contractors' representatives on August 01, 2023 at the office of the CEO WSSCA, it was discussed and agreed that the installation of Awning and signage will be prioritized and the contractor's representative assured that the fixing of the Awning will be started in Sarafa bazar within two weeks. However, the activity the activity is yet to be started.

It is further stated in the matter that due to oncoming rainy season, the non-installation of awnings in bazar will create serious trouble for the shopkeepers that would lead to public agitation.

PMSC is therefore once again requested to instruct the contractor for making arrangements to install the awnings at the earliest, please.
