To,

Director General GDA
Galiyat Development Authority (GDA)
Abbottabad

Subject:

KHYBER PAKHTUNKHWA CITY IMPROVEMENT PROGRAM (KP-CIP PROJECT)
Up gradation of Choona Water Treatment Plant Gravity Water Supply Scheme including rehabilitation & up gradation of water supply system in Abbottabad

Sub Head:

Request for Issuance of Umbrella NOC for Laying/Installation of Main Water Supply Line

Khyber Pakhtunkhwa Cities Improvement Project (KPCIP) is a development program undertaken by Government of Khyber Pakhtunkhwa through the Financial and Technical assistance of Asian Development Bank (ADB) under Loan Agreement No. 4160-PAK and 8412-PAK.

For implementation of this program in Abbottabad, the Government of Khyber Pakhtunkhwa has established City Implementation Unit (CIU) in Water & Sanitation Services Company Abbottabad (WSSCA).

Among various projects programmed for Abbottabad, one of the sub-project is "Up gradation of Choona Water Treatment Plant Gravity Water Supply Scheme including rehabilitation & up gradation of water supply system". The mentioned sub-project is aimed to Increase in capacity from 1.7 to 4.1 Million Gallons, Water Supply to Households increased from 15,000 to 36,000 and Added Treatment Capacity – 6.85 Million Gallons per Day (MGD) with innovations like Rapid Gravity Filters Technology, Water Metering, Solar energy, SCADA interventions.

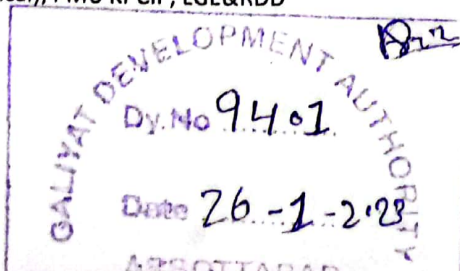

The Project Description, Scope of Works, General Layout for Extension of JICA Gravity Water Scheme, Layout Plan for Proposed Supply Mains' Network, and Layout Plan for Proposed Water Distribution Network are enclosed with this letter for better understanding of the Project.

Furthermore, it is duly acknowledged by WSSCA/CIU-Abbottabad here in communication that each and every infrastructure dismantled / excavated for the execution of mentioned sub project under KPCIP will be truly reinstated to the best of its condition in line with standard specifications enacted by the Galiyat Development Authority (GDA) for related infrastructure by the contractors involved in the execution of respective sub project.

Based on aforementioned details and acknowledgement, Director General GDA is hereby requested for issuance of **NO OBJECTION CERTIFICATE (NOC)**. Your early response in this regard, will enable the project authorities to execute the project on time in the best interest of general public, at large and avoid any loss to national exchequer via commitment charges and Contractual Claims.
