Subject: KHYBER PUKHTUNKHAWA CITY IMPROVEMENT PROGRAM (KP-CIP PROJECT)

**DEVELOPMENT OF URBAN/GREEN SPACES AND PARKS; LOT-1: PEDESTRIANISATION OF OLD CITY
BAZAR & DEVELOPMENT OF SHERWAN HILL PARK.**

This is with reference to the site visit of the City Level Project Administration and Management Committee (CLPAMC) including Board of Directors of the WSSC Abbottabad of the Sherwan hill park on March 09, 2023. During the site visit, it was discussed that the under construction Restaurant building and Cricket ground fall between flow lines of the two merging gorges. So, proper disposal of the Run off should be designed keeping in mind the hydrology and catchment area of the surrounding mountains.

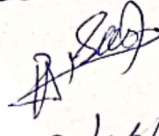

Similarly, it was also shared that the design of the Zip line has not been finalized yet. So it was discussed and agreed that the Zip line design should be shared with BOD of the WSSC Abbottabad for review and inputs.

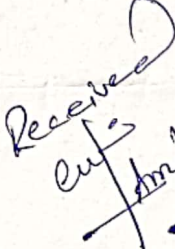

You are requested to share the updates/progress on the above mentioned points of the said visit.
