Ref: KPCIP/CIU-ATD/CE/009/11

Date: 7/12/2023

To,

The Engineer/Resident Engineer (Water Supply)
PMSCS – KPCIP - Abbottabad

Project: CW2 – Lot 2 – KPCIP Water Treatment Plant, Abbottabad

Subject: Observations: Urgent Resolution Required for Rusty Steel Rebars and Quality Control at WTP Construction Site

As evident from the attached photograph, the steel supplied and fabricated on site of WTP as well as stored in warehouse is heavily rusted, which is contravening the desirable standards of quality and workmanship.

PMSCS is hereby instructed to submit the stance of "The Engineer" as to why such heavily rusted steel is being used in WTP.
