To,

The Team Leader
Design & Construction Coordinator,
PMSCS, Minconsult-CEC JV, Peshawar

166

Project: KHYBER PAKHTUNKHWA CITIES IMPROVEMENT PROJECT (KPCIP)

Subject: RE: NOTICE FOR COMMENCEMENT OF THE WORK CW-02: LOT-1: ABBOTTABAD

Reference: KPCIP/PMSCS/PMU/PD/162, dated November 24, 2023

I am directed to refer to the subject noted above and to state that The Team Leader (PMSCS) received a letter from the PMU stating that a *Sectional Commencement* can be issued to the Contractor for the execution of the Works and further explained that the Employer is obliged to provide the Contractor access to and possession of the Site or any parts thereof under Sub-Clause 2.1 of GCC/PCC. The term "Sectional Commencement" is absent in the Contract. If the Employer is satisfied with the available land, they must inform the Engineer on Site. This is essential to avoid unwarranted claims.

In this regard, this is to remind you that the contract agreement was signed with the contractor on March 22, 2023, and that the CEO believed that the start work should not begin until the intake structure was finalized, (300 lit/sec). Additionally, the matter was discussed in the recent ADB mission and Commissioner Hazara meeting, where it was agreed that partial work could commence. Previously, you had issued the sectional commencement of work for CW-04 (Lot-02) Mingora.

Therefore, it is advised that the Resident Engineer determine the cleared work status with the Chief Engineer, CIU Abbottabad, and proceed with the commencement of works, in order to prevent any future claims or financial consequences.

Looking forward.

(ALAMGIR KHAN AFRIDI)

Water Supply & Sanitation Specialist
PMU-KPCIP, LGE&RDD
