Unavoidable Issues in Land Acquisition from Jandar Baari to Phalkot Mosque -  
Shifting of 2200 meters pipeline route towards Moza Maalsa Side**

Reference to letter No. CEO/WSSCA/023/8609 consigned to your office dated 06/06/2023.

Due to unavoidable social and legal issues / ownership disputes at the proposed pipeline route (2200 meters from Jandar Baari to Phalkot Mosque), WSSCA Team and Revenue Department has proposed to avoid the aforementioned route and shift the pipeline towards Moza Maalsa side which is aligned on the opposite side of the proposed (old) pipeline route. This is therefore requested that PMCSO may shift the pipeline towards Maalsa where the land acquisition is easy and the concerned land owners are agreed to provide land.

Please coordinate with Infrastructure Engineer – WATSAN – CIU Abbottabad for any assistance and information.
