Subject: Cutting of 17 Trees at Location of Surface Reservoir No. 5, 6, 8 & 13.

I am writing to bring to your attention a crucial matter regarding the cutting of trees at the subject surface reservoir. It has come to our attention that cutting of trees at the subject surface reservoir is essential for the construction of new surface reservoir. Regrettably, this work was not initially included in the project scope, necessitating a variation order. As per sub-clause 3.1 B (2) of GCC/PCC, we are obligated to seek your prior approval before commencing with the cutting of trees. The matter has already been discussed with CIU representative in a meeting dated 5th January 2023.

In view of above, we kindly request your prompt consideration & approval for the proposed variation order. We appreciate your attention to this request & look forward to receiving your approval at your earliest convenience.

Your Sincerely,
